

## REMARKS

This amendment to the claims is submitted to be substituted for the amendment filed on or about April 22, 2003 and is submitted in response to the Office action notifying applicants that the previous amendment to the claims did not comply with the current rules.

It is believed that this amendment complies with the revised format requirements of 37 CFR 1.121. Entry of the amendment and examination are solicited.

Applicants are also submitting a table listing the origin and status of all the claims, including identification of the documents in which the relevant claim amendments can be located. That table appears in the attached Appendix.

Respectfully,

Robert E. Strauss
